Objective

I am seeking a competitive and challenging environment where I can serve and establish a career for myself. So if I could be a part of a large firm like yours, it would be a good opportunity to expand my skills and knowledge. Finally, I hope with my limited ability I can contribute something in the growth of your company even it is small.

Certifications

Front-end course of IVIETTECH
Level: Very Good

Education

2015 – 2017 University of Technology and Education –
The University of Danang
